about us

At **Good Quality AC Units Fix Cont. LLC**, we provide expert **air conditioning installation, maintenance, and repair services**, along with **MEP contracting, electrical works, and plumbing solutions**. Based in the **United Arab Emirates**, we serve **residential, commercial, industrial, and villa properties**, ensuring top-quality services with a professional industry veterans with 10+ years of combined experience.

Our team of experienced technicians and engineers is committed to delivering high-standard solutions, whether it's **new AC installation, routine maintenance, or comprehensive mechanical and electrical services**. We also offer **annual AC maintenance contracts** tailored for **schools, labor accommodations, villas, hospitals, and commercial spaces**.

mission & core values

Our mission is to provide high-quality air conditioning, MEP, electrical, and plumbing services tailored to the needs of residential, commercial, and industrial clients.

We delivering exceptional service and sustainable solutions that enhance comfort, efficiency, and quality of life.

OUR SERVICES

AC UNITS INSTALLATION & MAINTENANCE

We specialize in air conditioning solutions that ensure comfort and efficiency:

- Installation of all types of AC units (split, ducted, central, and VRF systems).
- Preventive maintenance & servicing to maximize system lifespan.
- Emergency AC repairs and troubleshooting.
- Duct cleaning and air quality improvement.
- Energy-efficient cooling solutions for cost savings.

"We take pride in the quality of our repairs. All services come with a 60-day warranty. If a repair fails within this period, we will fix it at no extra cost."

ELECTRICAL & PLUMBING WORKS

We provide reliable electrical solutions for all types of properties:

- Complete electrical system design and installation.
- Wiring, rewiring, and load balancing.
- Lighting solutions
- Circuit breaker installations and maintenance.
- Electrical troubleshooting & repairs.

MEP CONTRACTING WORKS

Our Mechanical, Electrical, and Plumbing (MEP) services include:

- HVAC system design and implementation.
- Plumbing system installations and pipeline works.
- Sustainable and energy-efficient MEP solutions.
